# TAFS

*Explore a comprehensive range of yarns, fibers, accessories, and fabrics from leading manufacturers, suppliers, and designers. From natural fibers to cutting-edge synthetics, traditional weaves to avant-garde textures, our exhibitors would showcase the latest trends and innovations in the textile and apparel industry.*

## FORGE LASTING PARTNERSHIPS:

Connect with industry experts, professionals, and decision-makers from every sector of the supply chain. Whether you're a designer seeking inspiration, a manufacturer looking for quality materials, or a retailer scouting for new products, our trade show provides the perfect environment to forge meaningful partnerships and collaborations.

## STAY AHEAD OF THE CURVE:

Attend insightful seminars, workshops, and panel discussions led by industry pioneers and thought leaders. Gain valuable insights into emerging trends, sustainability practices, technological advancements, and market dynamics shaping the future of the textiles industry.

## EXPERIENCE EXCELLENCE IN TEXTILES:

Immerse yourself in a world of creativity and craftsmanship, where every thread tells a story and every fabric reflects the passion and dedication of its creators. From luxurious silks to durable denims, from intricate lace to high-performance activewear, our trade show celebrates the diversity and versatility of textiles in all their forms.

## Why TAFS JAIPUR:

Covering an area of 342,239 sq km, Rajasthan is the largest state in India. Jaipur is the capital of Rajasthan and its largest city. It has a population of approximately 2.3 million.

The economy of Rajasthan is the seventh-largest state economy in India with ₹10.20 lakh crore (US\$140 billion) in GDP and a per capita GDP of ₹118,000 (US\$1,700). The state ranks 29th among the states in human development index. Gross State Domestic Product (GSDP) of Rajasthan expanded at a CAGR of 10.63 percent between 2015 and FY2021. In 2019-20, the services sector contributed 46.63 percent to the state's GSDP, followed by industries (27.81 percent) and agriculture (25.53 percent)

## CLUSTERS OF GARMENTS & TEXTILES :

Bhiwadi, Banswara, Bhilwara, Udaipur, Pushkar, Barmer

## APPAREL INDUSTRY IN JAIPUR:

Currently, the Jaipur hub is doing an annual garment manufacturing business of around Rs. 7,000 crore and industry experts believe that it has full potential to grow its business at least by 3-folds and that too in the next 3 to 4 years. There are about 2500 garment manufacturers in the city. Ethnicwear (for women) and home furnishings is one of the important product categories.

## ABOUT INDUSTRY PARTNER:

**PHD Chamber of Commerce and Industry (PHDCCI)** is a well-known industry association in India. It stands for the 'PHD Chamber of Commerce and Industry'. It works towards promoting economic growth and development by providing a platform for businesses to interact, collaborate, and address common concerns. PHDCCI engages in policy advocacy, research, and organizing various events to facilitate the growth of industries across different sectors in India.

# ABOUT ORGANISER:

Saina Events is a reputable trade show organizer known for its expertise in planning and executing successful exhibitions and events. With a focus on professionalism and attention to detail, Saina Events specializes in creating impactful experiences that bring together businesses, industry professionals, and consumers. Their comprehensive services include venue selection, exhibitor recruitment, marketing strategies, logistical support, and onsite event management. Saina Events is dedicated to facilitating meaningful connections, fostering innovation, and driving growth within various industries through their well-organized and meticulously executed trade shows and exhibitions. Since 2014, Saina Events has been organizing a diverse range of trade shows, exhibitions, conferences, and seminars for various government bodies and trade associations, including WVEPC, BAA, and others. Among its flagship events is the Garment Show of India, which has been running since 2016, with eight successful editions organized to date. Additionally, Saina Events hosts the Apparel Fashion Forum, featuring workshops, networking sessions, and conferences where industry leaders and mentors from both the buying and manufacturing sectors share their insights and experiences for the advancement of the industry.

## Saina Events also runs a monthly publication 'Perfect Sourcing' since 2009.

Perfect Sourcing is a leading publication focusing on the global textile, apparel, and fashion industry. It provides insights, news, analysis, interviews, and trends related to sourcing, manufacturing, supply chain, sustainability, technology, and fashion retail. Perfect Sourcing caters to professionals and businesses involved in the textile and apparel value chain, offering valuable information and updates to help them make informed decisions and stay competitive in the industry.
